The living space is expansive including a formal lounge with slow combustion fireplace, formal dining with direct access to a covered alfresco area leading into a very generous solid wood kitchen with plenty of bench space, double sink, gas cooktop, electric wall oven & an abundance of storage, perfect for the avid cooks in the family.

As you enter the rear garden & court yard there is a definite sense of privacy with a perfect combination of covered veranda and grassed open space. A perfect spot to entertain family & friends all year round. The double car garage could easily be converted to a granny flat/teenage retreat/man cave with a shower & toilet already in place. Attached to the garage is a generous double carport already in use for parking.

A bonus with the property is a pristine spring fed permanent creek & pump for irrigation, with 2inch underground main lines & take off points throughout the property including near the main house.
